Dear Parents / Carers / Guardians

CHATEAU BEAUMONT TRIP - 16TH – 20TH JULY 2018

The first instalment of £105.00 is due with immediate effect. I would therefore be grateful if you would organize to pay this either via ParentPay, cash or cheque, with cheques made payable to Crickhowell High School. Receipts will be issued for all payment methods. Thank you to all those who have already paid.

Please be aware that once you have paid the first instalment you are committed to the trip and will therefore have to pay the full balance.

Whilst this is an educational trip providing a wonderful opportunity for the students to expand their linguistic skills, Chateau Beaumont are masters at striking the correct balance between education and fun, with a menu of superb excursions available, most of which are included in the price.

Details of the excursions and activities are attached, together with a form for selecting your choices.

There will be a meeting organized for those attending this trip next term to ensure that everyone has a full pack of information and to answer any questions or concerns that have arisen.

Details about the trip are available on our website at <https://www.crickhowell-hs.powys.sch.uk/trips/chateau-beaumont-trip-2018/>.
