Work smarter with joined-up data

GO 4 Schools is a powerful, joined-up, online system that supports whole-school improvement in a way no other system does. We make it easy to capture, analyse and share classroom data in real time, allowing your staff, students and parents to make better decisions – daily. It's the efficient, smart and agile way to work with school data.

Mobile App Now available...

Send information about attendance, homework, behaviour, etc., to students and parents through their preferred means of communication - their smartphone

Management Information System (MIS)

The Modules

- ▶ Online Markbooks Straightforward, powerful, online markbooks for subject-specific, continuous pupil tracking.
- ▶ Behaviour Consistent, efficient, online recording and management of rewards and sanctions.
