

13th April 2023

Dear Parents and Carers,

I hope you have all had a restful Easter break. Last term was very productive but the time for all students and families to pause and recharge is always well received, in preparation for the last full term of the academic year.

Examination students will have been committing to revision through the Easter break and a number of teachers have dedicated their personal time to running additional sessions through the holiday period. I wish all students across all year groups the very best of luck throughout the term ahead, both in their studies and in their personal development. We are here for any further support needed and we continue to place emphasis on student and family wellbeing.

As a reminder, there is a **Staff Training Day on Monday 17th April**, so school is closed to students. All year groups are due to **return on Tuesday 18th April**, and on this day, we will be following the Week 1 Monday timetable (instead of Week 1 Tuesday timetable). This is to address the impact of additional Mondays lost this academic year, on specific subjects. Timetables will return to normal from Wednesday 19th April (Week 1 Wednesday).

We look forward to welcoming all students back.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'C. Jones'.

Claire Jones
