

3<sup>rd</sup> May 2023

Dear Parents and Carers,

I hope you managed to have a restful Bank Holiday weekend.

You may recall that we sent a letter last term explaining that we intended to set up some Parent Drop-In sessions: '**Parent Forums**'. This stemmed from some parent/carer feedback that a number of you had not been able to see the school building or meet with school staff particularly throughout the Covid pandemic period. Although we adapted our transition process in this time, your interactions naturally were more limited than what we aspire to, and virtual briefings/introductions did not have the same personal impact.

We wish to offer you the opportunity to drop-in and build familiarity with key staff and the school building. The first '**Parent Forum**' **will take place this Thursday, 4th May, 9:30 - 11:00 a.m.** and we will share a further date with you for the next half-term in due course.

This is an informal and optional get together with some refreshments to enable you to gain further understanding of school systems, student support, family support, and it is also an opportunity for you to share solutions-focused feedback.

If you choose to attend this Thursday, please may you sign-in at reception and you will be greeted in readiness for the session. If you cannot make the start time of 9:30 a.m., you may join us later, but we will need to finish by 11:00 a.m. due to the school break time and staff duty requirements.

We look forward to meeting you, and as ever, appreciate your collaboration.

Your sincerely
