Warm Weather: Revised Uniform Protocols

Dear Parents / Carers,

As you may have noticed, we are currently experiencing warm weather which includes substantially higher temperatures and humidity than usual. In light of this, we have made a decision to relax the school uniform protocol for the remainder of this week. This decision will be reviewed at the end of the week and we will communicate updates with you regarding future weeks.

We value the importance of maintaining formal presentation, but we must prioritise student comfort and wellbeing at this time, during the warmer weather conditions. From tomorrow onwards, students in Years 7 – 11 (including those sitting examinations) will be allowed to wear the official school PE kit to school instead of their normal uniform. A reminder of the PE dress code can be viewed on the school website: <https://www.crickhowell-hs.powys.sch.uk/school-information/uniform/>

This decision has been taken on the understanding that students will wear the agreed school PE kit only.

If students do not follow this code, then the Leadership Team will need to consider returning to full school uniform and/or will ask parents/carers to bring in appropriate clothing. If this is not possible, then internal sanctions may be set for individual students.

Our aim is to achieve a balance between student comfort and the need to uphold a respectful and productive learning environment.

Thank you for your support in advance. We appreciate your ongoing collaboration in providing the best possible learning experience for our students.

Yours sincerely,

A handwritten signature in black ink that reads "C. Jones".

Claire Jones
