

16th August 2023

A Level Results Day - 17th August 2023

Dear Parents & Carers,

We wish all students who are expecting results tomorrow the very best of luck.

Below is the guidance for Year 13 and Year 12 students separately:

A Level/ Year 13 Results

As a reminder, A Level/Year 13 results will be sent to student school email addresses from 8 a.m. and we wish to see A Level/Year 13 in person in school to collect the results and receive support and guidance from 8 a.m. onwards.

If any students cannot come in to school to collect their hard copy results and see staff, we ask them to please complete this form: [Year 13 Destinations 2023 \(office.com\)](#). This has also been emailed to students through their school email address, along with additional useful information and guidance.

AS Level/Year 12 Results

AS/Year 12 results will be sent from 9:30 a.m. and separate guidance has been issued by the Sixth Form Team. Course changes and advice is best being provided at the start of September, when subject specialist teachers are available for further consultation and support. However, if any Year 12 students particularly require support tomorrow, they may come in to school from 10:30 a.m. where staff will be able to guide them.

Mrs Thomas, Post-16 Director, will be available to liaise with students and families alongside the rest of the Sixth Form Team and Leadership Team. You may contact Mrs Thomas if you have queries: katet@crickhowell-hs.powys.sch.uk or any other member of the Sixth Form Team that you have had contact with. You may also contact our school reception by telephone 8 a.m. - 2 p.m.: 01873 813500.

Please also remember that the school car park is under construction presently, and spaces are very limited. We advise all families to plan ahead for this.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'C. Jones'.

Claire Jones
Headteacher
