Choice of Schools

Parents / carers can state two preferences on their application form. If the Admissions Authority are unable to offer a place at your 1st or 2nd preference, a place will be allocated to the nearest school to your home address with available places.

In choosing a school, there are many factors that parents/carers may wish to consider such as the language of education (Welsh or English), size, location, academic record and values of the school. Parents/carers may also wish to take into consideration the Authority's policy concerning the provision of transport, which is available on the Powys website <https://en.powys.gov.uk/article/3879/Apply-for-school-transport>

When parents/carers are considering a school, the following advice may be useful:

- ask for a prospectus for the school – this gives general information about the school. In addition, parents/carers may wish to ask for copies of recent school inspection reports and examination results;
- visit the schools being considered and have a list of pre-prepared questions relating to your child and his/her needs;
- enquire about facilities relating to the interests of your child (i.e. sports, science, music etc);
- if you choose a school outside your normal allocation, you will be responsible for the provision of transport and any costs related to it.

Discussions with the Headteacher are valuable for parents/carers wishing to know in detail about a school and they allow the Headteacher in turn to explain the attitudes, values and expectations of the school. While the Authority would seek to encourage such discussions, it is emphasised that discussion with the Headteacher will not affect the child's chances of gaining a place at the school.

Basic information regarding schools maintained by Powys County Council is shown in **Appendices A** and **C**. More detailed information regarding any individual school and a copy of the school prospectus should be sought from the Headteacher.

Welsh Medium Education

Across Wales, parents are choosing Welsh-medium education for their children so that they can become bilingual, fluent in Welsh and English. Parents don't need to be able to speak Welsh for their children to attend Welsh-medium education – children are immersed in the Welsh language at school and become fluent quickly.

Welsh-medium education is available across Powys, in Welsh-medium schools and Welsh streams in dual stream schools. The Council is committed to ensuring that Welsh-medium education is available to all children whose parents/guardians wish them to access it.

More information about Welsh-medium education in Powys and the benefits of being bilingual is available on our 'Destination Bilingual' webpage:

<https://en.powys.gov.uk/article/10742/Destination-bilingual-the-benefits-of-choosing-a-Welsh-medium-education>.

Opportunities are also available for pupils to transfer into Welsh-medium provision during their education by taking part in immersion programmes ('trochi'). Powys' first immersion centre was established in Newtown during 2022, and further opportunities to access this provision will be offered across the county.

Pupils who receive their primary education through the medium of Welsh are normally expected to continue to receive their education through the medium of Welsh in secondary school.

Voluntary Aided (Faith) Schools

Voluntary Aided (Faith) Schools control their own admissions applications and allocations. Admission to Voluntary Aided Schools is determined by the Governing Body of the individual school.

You should contact the school directly for information in relation to admissions, policies and appeals for that school. Details of these schools and links to their admissions policies can be found in **Appendix B**.

Admission to Schools not Maintained by Powys County Council

Parents/carers are able to apply for their child/ren to attend a school in another Local Authority. If a place is allocated outside of the county of Powys or is not maintained by Powys County Council, the Local Authority will not normally provide or meet the costs of transport or residence.

The Local Authority does not have any arrangements whereby children may attend schools not maintained by a Local Authority except for special education. If, therefore, it is your wish that your child attends a non-maintained or independent school, you should approach that school directly and you will be responsible for all costs incurred.

Age of Admission and Application for a Place in a School

3 and 4-Year-Old Provision (Pre-School)

Welsh Government funds the Local Authority to ensure that all children in Wales have access to free part time Early Years Education. Each qualifying child can receive **a maximum of 10 hours per week** of funded Early Years Education if they attend an approved, funded pre-school education setting. Providers include playgroups, Cylch Meithrin, day nurseries and school-based settings. For details of Powys pre-school settings visit

<https://en.powys.gov.uk/article/2002/Find-childcare-nurseries-and-playgroups>

Parents and carers are entitled to 10 hours funded education a week, one session per day, with some settings offering 5 x 2-hour sessions a week and others offering 4 x 2.5-hour sessions a week.

Parent / carers can apply for a part-time place, morning or afternoon, in a registered, approved funded pre-school education setting for a child born between **1 September 2021**

and 31 August 2022. There are 3 intakes during the school year – January, April and September. The actual dates for intake are linked to school term dates. These dates can be viewed on the Powys website <https://en.powys.gov.uk/article/1166/School-Term-Dates>

The table below shows when your child will become eligible for up to 5 terms of funded part time pre-school provision:

If your child was born between	Eligible Term
1 September & 31 December	The beginning of term on or after 1 January
1 January & 31 March	The beginning of term on or after 1 April
1 April & 31 August	The beginning of term on or after 1 September

An application form should be completed and can be found on the Powys website: <https://en.powys.gov.uk/article/3810/Apply-for-Pre-School-3-and-4-yr-olds-Early-Years-Education>

Prior to the offer date of **Monday 30 September 2024**, you will receive a request to submit a copy of your child's birth certificate. This will usually be via email. Please ensure that you respond to this request, as sessions will not be offered until we have received and verified a copy of your child's birth certificate.

When applying for Early Years Education, it is important to:

- **check the opening times of a setting before completing the application form, as opening hours differ from setting to setting**
- **include a second preference on the application form in case your first preference setting is over-subscribed**
- **respond to requests to provide a copy of your child's birth certificate**

All application forms are to be received no later than **Sunday, 31 March 2024**. Forms received after this date will be a 'Late Application' and could result in your child not being allocated the setting/s or sessions you require. If more applications are received than places available, the following oversubscription criteria will be used to allocate the places. This is with the exception of children looked after or children previously looked after, who will be given priority before these criteria are considered:

- a. The nearest setting to child's ordinary place⁴ of residence, with a sibling⁵ attending the setting at the time the child will commence at the setting. If a setting is sited within a school campus, consideration will be given, if possible, if a sibling is attending the school when the child commences at the setting, provided the ordinary place¹ or residence is in the catchment area of the school

⁴ Ordinary place of residence is the residence of the parent/carer who receives the Child Benefit for the pupil. (this is also the case where a child lives with parent/carers with shared responsibility for part of a week).

⁵ Sibling includes half-siblings, step-siblings, adopted and looked after, or previously children looked after living in the same household

- b. The nearest setting to the child's ordinary place⁶ of residence.
- c. Existing attendance at a Flying Start Setting which is co-located with the setting that the parent / carer has expressed a preference for.
- d. Residing outside the catchment area of the setting with a sibling² attending the setting at the time the child will commence at the setting. If a setting is sited within a school campus, consideration will be given, if possible, if a sibling is attending the school when the child commences at the setting.
- e. Residing outside the catchment area of the setting

For those children who already attend full-day care at a setting or a Flying Start setting at the time of application, every effort will be made to secure a place at that setting for the Early Years Funded Education Provision, however this may not always be possible, and it may be necessary to offer alternative provision.

As pre-school education is not statutory there is no right of appeal against the decision. Where early years settings are based on a primary school site, the allocation of a pre-school place does not guarantee a place in the Reception class in that primary school.

Home to School transport is not available for Early Years Education.

For information regarding bilingual education please see page 16.

Childcare for 3 and 4 Year Olds

Information about the Childcare Offer for Wales and the additional funded childcare hours for eligible families can be found on the Powys County Council website [Childcare Offer for Wales - Powys County Council](#) and the Welsh Government website <https://gov.wales/childcare-3-and-4-year-olds>

The Family Information Service are always available to give advice on childcare on the following contact details:

Phone: 01874 612419

Email: fis@powys.gov.uk

⁶ Ordinary place of residence is the residence of the parent/carer who receives the Child Benefit for the pupil. (this is also the case where a child lives with parent/carers with shared responsibility for part of a week).

Admission to Primary Schools / Primary Phase of All-Age Schools

An online application for a place in the Reception class at a Powys Primary School has to be made between **Monday, 2 October 2023** and **Friday, 5 January 2024** by visiting the Powys website <https://en.powys.gov.uk/article/1158/Applying-for-a-School-Place> . Parents / carers will receive an email on **Tuesday, 16 April 2024**, informing them if their child has been allocated a place at their first preference school.

Applications made after **Friday, 5 January 2024** are **late applications**.

Unless other acceptable arrangements are made, a child is required to attend school full-time from the beginning of the term following their fifth birthday. In Powys a child may be admitted to school, at the parent/carers' request, on either a full-time or part-time basis at the beginning of the Autumn Term following the fourth birthday; there is only one intake each academic year.

If your child was born between	School Start Date
1 September 2018 and 31 August 2019	September 2023
1 September 2019 and 31 August 2020	September 2024
1 September 2020 and 31 August 2021	September 2025
1 September 2021 and 31 August 2022	September 2026

There are seven Aided and Foundation Schools within Powys which are responsible for setting their own admission policy (see Appendix C). The policy for these schools could differ from the Local Authority. If you wish your child to attend a Faith or Aided School, you should contact the school direct as the Governing Body of the school are responsible for the admission of the pupils to the school.

The Aided and Foundation Schools in Powys are listed below, and full details are available in **Appendix B**:

- Archdeacon Griffiths Church in Wales Voluntary Aided School, Llyswen
- Llangattock Church in Wales (Aided) School
- Llansantffraid Church in Wales (Aided) Primary School, Llansantffraid
- Priory Church in Wales (Aided) School, Brecon
- St Mary's Voluntary Aided (Roman Catholic) Primary School, Newtown
- St Michael's Church in Wales (Aided) School, Kerry
- Ysgol Cwm Banwy, Church in Wales Voluntary Aided, Llangadfan

All Powys Primary Schools are co-educational day schools, full details are available in **Appendix A**.

Pre-school settings organise visits to school prior to commencing on a full or part time basis, which will be during the Summer Term prior to commencement of the school year.

If your child attends a non-maintained nursery or maintained or non-maintained pre-school provision linked to an infant or primary school and you wish your child to attend that school, you will still be required to apply for a place in the main school when your child is due to commence full time education.

Admissions to Primary and Junior Schools (year 3) from an Infant School

For those pupils attending Mount Street Infants School, they will be required to apply for admission into year 3 at any primary school or junior school in the September following their 7th birthday.

An on-line application for a place has to be made between **Monday, 2 October 2023 and Friday, 5 January 2024** by visiting the Powys website <https://en.powys.gov.uk/article/1158/Applying-for-a-School-Place> .

Parents/carers will receive an email on **Tuesday, 16 April 2024**, informing them if their child has been allocated a place at their first preference school.

Applications made after **Friday, 5 January 2024** are **late applications**

Having a place in an infant school does not guarantee a place in the 'paired' junior school and the Authority's criteria for school admissions will apply if the demand exceeds the number of places available.

Admissions to Secondary Schools / Secondary Phase of All-Age Schools (year 7)

Admission to secondary school takes place at the beginning of year 7. An online application for a place at a Powys secondary school has to be made between **Monday, 18 September 2023 and Friday, 10 November 2023** by visiting the Powys website <https://en.powys.gov.uk/article/1158/Applying-for-a-School-Place> .

Parents/Carers will receive an email on **Friday, 1 March 2024**, informing them if their child has been allocated a place at their first preference school.

If a parent/carer wishes their child to attend an out of county secondary school they will be required to complete a hard copy of the Parental Preference for Secondary School Application form, which is available by emailing admissions@powys.gov.uk The Admissions Team will liaise with the neighbouring Local Authority with regard to a place for your child.

Applications made after **Friday, 10 November 2023** are **late applications**.

Having a place in a primary school does not guarantee a place at the secondary school which is linked with that primary school, and the Authority's criteria for school admissions will apply if the demand exceeds the number of places available.

Pupils attending year 6 in all-age schools are not required to submit an admissions application form to progress to year 7, unless they wish to attend a different school.

Admissions to Sixth Form (year 12 & 13)

All applications for a place in a 6th Form should be made via the Chweched Powys Sixth website (<https://powys6.cymru/home>). At present all Powys secondary schools are responsible for their 6th Form admissions.

In Powys we believe that all learners, regardless of their location, background, language, or ability should flourish and grow without any barriers into capable, healthy, confident, and ethically informed citizens.

Powys post 16 provision aim to provide an inclusive and flexible academic and vocational provision for all learners, regardless of their language or ability, so that all learners can access a broad, balanced, and appropriate curriculum offer through the medium of Welsh and English.

Criteria for Admission to a School.

The determination of school admission between the Local Authority Community and Church in Wales Controlled Schools differs from that of Faith and Foundation Schools in Powys. The Faith and Foundation Schools administer their own admissions policy (see **Appendix B**) which could differ from the Local Authority's.

Where schools are over-subscribed it is a requirement of the School Standards & Framework Act, 1998 that criteria are published, which are then used to determine admissions. Pupils with a statement of special education needs, which names a specific school which the child should attend because their needs can be best met by that school and its facilities will be automatically allocated a place.

Where a school is over-subscribed, all applicants will be considered against the over-subscription criteria set out below when allocating school places. This is with the exception of children looked after, children previously looked after, or children with a statement of Special Educational Needs (SEN) or a local authority maintained individual development plan (IDP), will be given priority before these criteria are considered.

The following criteria are applied, in order of priority when allocating **primary** school places:

- a. The presence of an elder sibling residing at the same household, with the household being within the primary catchment area of the school, when the pupil commences at the school. To qualify, primary siblings must be in Reception to Year 6 and, in the case

of an all-age school, secondary siblings must be in Years 7 – 13⁷.

- b. The primary school is closest to the location of the home.
- c. Any medical and social needs relating to the individual child where attendance at particular school is essential. Evidence will be required to accompany the application form.
- d. The presence of an elder sibling residing at the same household, with the household **NOT** being the nearest primary school, when the pupil commences at the school. To qualify, primary siblings must be in Reception to Year 6 and in the case of an all-age school, secondary siblings must be in Years 7 – 13⁶.
- e. The location of the home in relation to the school and alternative schools if the primary school applied for is not the one which is closest to the home location.

The following criteria are applied, in order of priority when allocating **secondary** school places:

- a. The presence of an elder sibling residing at the same household, with the household being within the secondary catchment area of the school, when the pupil commences at the school. To qualify, secondary siblings must be in Years 7 – 13.⁶ In the case of an all-age school, primary siblings must be in Reception to Year 6.⁶
- b. The location of the home if it is within the current secondary catchment area of the school.
- c. Any medical and social needs relating to the individual child where attendance at particular school is essential. Evidence will be required to accompany the application form.
- d. The presence of an elder sibling residing at the same household, with the household being outside the secondary catchment area of the school, when the pupil commences at the school. To qualify, secondary siblings must be in Years 7 – 13.⁶ In the case of an all-age school, primary siblings must be in Reception to Year 6.⁶
- e. The location of the home in relation to the school and alternative schools if it is outside the current secondary catchment area of the school

⁷ Please note that siblings who join a secondary school for 6th form education only (years 12 & 13) or attend a 6th form on a dual basis arrangement under collaboration arrangement will not be taken into consideration as sibling at the school.

The secondary school catchment is defined by the feeder primary schools (see **Appendix 4**).

The below points explain some of the criteria further:

- for the purposes of admissions, siblings must live in the same household. The term siblings includes half-siblings, step-siblings, adopted and children looked after, or children previously looked after.
- places will be allocated based on the safest, shortest, practicable walking route to the school, in strict order of distance, up to the number of places available, with the highest priority being given to the pupil living closest to the school. The distance will be measured from the closest access point on the public highway to the pupil's ordinary place of residence which is nearest to the school and measured to the nearest school gate. MapInfo Geographical Information System is used to measure all distances.
- ordinary place of residence is the residence of the parent/carer who receives the Child Benefit for the pupil (this is also the case where a child lives with parent/carers with shared responsibility). The child must reside and sleep at that residence for the majority of the week.
- only **one** application should be made from **one** address, and in the case of parents/carers who have joint custody of the child, a decision regarding school preference must be reached **before** the application is made. This may have to be via the Courts and evidence may be requested to support the application.
- places are allocated from the address on the initial admission form, therefore, if a family moves, they **must** inform the Local Authority in order that the child's records can be amended. Failure to do this could result in a child's place being withdrawn.
- the Local Authority may also check council tax records. If you have not provided your council tax reference number on your application, they may write to ask you to provide additional proof of your address.
- in the event that a school is oversubscribed, and where an application has been made for multiple birth children to attend the same school and year group, the Authority will liaise closely with the school to discuss possible class size options.
- in the event of two applications in the same category being considered for a remaining place, priority will be given to whoever lives nearer to the school as measured by the safest, shortest, practicable walking route using the MapInfo Geographical Information System. If the two applicants live in the same block of flats, the place will be allocated to the applicant residing in the flat with the lowest number.

Following the allocation of places during a normal admission round, any pupil that is refused admission to an oversubscribed school will be placed on a waiting list for a placement until the **30 September** of that school year, in line with the School Admissions Code. Places for pupils on a waiting list will be allocated as per the oversubscription criteria and not by the length of time the pupil has been on the list. This also includes applications for in-years transfers.

After **30 September** parent/carers will be required to submit a new application for admission for their preferred school. The LA does not keep waiting lists for year groups that are not in the normal year of admission to the school.

Admissions for Pupils with Additional Learning Needs

Special Schools

Powys County Council has three special schools. Two of the special schools (**Ysgol Cedewain** and **Ysgol Penmaes**) provide specialist and bespoke learning opportunities and environments for learners between the ages of 3-19 whom have a severe and complex learning difficulties.

The majority of learners attending **Ysgol Cedewain** and **Ysgol Penmaes** will be classed as having Severe Learning Difficulties (SLD), Profound and Multiple Learning Difficulties (PMLD) and complex Autistic Spectrum Disorder (ASD). In addition, many learners will have co-morbid conditions that impact on them as learners, such as, Communication and Interaction Difficulties, Emotional and Social Difficulties, Sensory, Physical and Complex Medical Needs.

The third special school is **Brynllwarch Hall School**. Brynllwarch provides specialist and bespoke learning opportunities and environments for learners between the ages of 7-19 whom have learning needs associated with Behaviour, Social and Emotional Difficulties (BESD). All Powys County Council special schools aim to provide a broad and balanced curriculum that includes developing and implementing specialist and individualised programmes of learning.

Criteria for Admission to Special Schools

Access to the three special schools falls outside the standard admissions arrangements for mainstream schools, Powys County Council remains the admissions authority and determines the admissions arrangements:

- learners who live in Wales and attend one of Powys' special schools are required to have a Statement of Special Educational Need or local authority maintained Individual Development Plan as a pre-requisite to entry; learners who live in England but attend one of Powys' special schools will have an Education, Health and Care Plan (EHCP). In exceptional circumstances, pupils may be admitted while the relevant document is being prepared;

- learners will only be admitted into a special school if they meet the entry criteria for that school;
- learners will normally be admitted into a special school in September, although there may be admissions throughout the school year due to learners transferring from other local authorities. There may be other exceptional circumstances that mean an earlier admission is necessary; and
- admissions will be decided by the local authority's Powys Inclusion Panel (PIP). No commitment to admission can be given until PIP has met to discuss each individual case and a formal admissions offer is sent.

Additional Admissions Information

Late Applications

Late applications, received after the closing dates, will only be considered if there are exceptional reasons why the applicant could not apply on time. This can be where the family moved into the LA between the closing date and the offer date (in which case evidence of the change of address will be required) or there are other exceptional reasons which prevented the family from applying on time.

Reasons for late applications must be included in writing with the application incorporating any appropriate supporting evidence.

All late applications that are not deemed as exceptions will be dealt with after those who made their application at the correct time.

The **Common Primary Offer Date** for all Welsh Admissions Authorities is **16 April**, or the next working day.

The **Common Secondary Offer Date** for all Welsh Admissions Authorities is **1 March**, or the next working day

Late applications received for oversubscribed schools, after places have been allocated will be offered their 2nd choice school or a place in an alternative suitable school that has a place. There is a right of appeal against this decision.

Early Applications

Early application cannot be used as a criterion for giving priority in allocating places, and all parents who express a preference by the published deadline for primary and secondary schools will be considered against the Local Authority's published criteria.

Admissions at Other Times (In-Year Admissions)

Parents are required to complete and return an In-Year School Admission Request Form, which are available on the Powys County Council website <https://en.powys.gov.uk/article/1158/Applying-for-a-School-Place> .

Applications should not be made more than a term in advance⁸, and school places cannot be reserved, therefore applications outside of this time scale will not be processed. Once a school place has been offered, the commencement date should be agreed with the school.

Forms need to be completed in full in order to be processed.

Home residence has not changed: Parents of pupils in primary and secondary schools who wish to transfer their child to a different school at any time except through change of residence should, in the first instance, discuss the matter with the Headteacher of their current school to explain their reason for requesting a change of school. Having spoken to the current Headteacher, parents should then approach the Headteacher of their chosen school and discuss the possibility of admission, explaining why the change of school is being requested.

Where a school transfer is approved, in cases that are not the result of a change of address, the transfer will normally take place at the beginning of the next term or half term, to minimise disruption to your own child and other children's education. Pupils should continue to attend their present school until a school placement has been arranged.

Home residence is changing: Where a request is made because of a change in address, you should ensure that adequate notice is given for the transfer to be considered and arranged.

The Admissions Team are unable to consider applications until confirmation of a moving date has been received. Documentary evidence in the form of a Solicitor's letter to confirm exchange of contracts or a copy of your signed rental agreement may be required to support your application. Please include this with your application if possible, to enable us to process your application.

If your application is due to a move into the UK, documentary evidence to support your application will be required. A copy of the pupil's passport, birth certificate, child benefit letter or medical card are normally acceptable, along with a copy of your rental agreement or exchange of contracts letter. Please send copies with your application. The Admissions Authority reserves the right to seek further documentary evidence as it feels appropriate.

Where the home address changes and parents wish to transfer their child/ren to another school the normal admission process will apply.

Admissions Following a School Closure (In-Year Admissions)

Where a school is being closed at the end of the current academic year, applications for the start of the next academic year can be made two terms in advance. Parents / carers are required to complete and return an In-Year School Admission Request Form, which is

⁸ Except in the case of School Closures, see Admissions Following a School Closure on p. 15

available on the Powys County Council website:
<https://en.powys.gov.uk/article/1158/Applying-for-a-School-Place> .

Forms need to be completed in full in order to be processed.

Infant Class Sizes

The School Admissions (Infant Class Size) (Wales) Regulations 2013⁹ requires Foundation Phase pupils (children aged 5, 6 and 7) to be taught in classes of no more than 30 per teacher. The Council will not normally exceed the school's admission number or breach the limitations imposed by statutory maximum class size of 30 where this applies.

Appeals against Admission Decisions

If a school is oversubscribed and it is not possible to allocate a place at the preferred school, an alternative school place will be offered. It is then for parents to decide whether to accept the place at the alternative school or to appeal against the decision of the admission authority.

Submitting an Appeal

If you wish to appeal against the Local Authority's decision not to allocate a place for your child to your school of preference, please submit a letter of appeal to the Admissions Team, which details your case. Further details on how to submit an appeal are included in the letter you receive following your initial admission application.

If you appeal, we will ask a panel to consider your case. The panel must consist of three to five members appointed by the council, or the governing body of an Aided School from the below. The Panel are independent, unpaid volunteers and are not employees of Powys County Council:

- People who are eligible to be lay members (this excludes anyone who has managed the affected school or who has taught in any school);
- People who have experience in education; who are familiar with educational conditions in the area; or who are parents of registered children at a school (other than the school at which the appeal is made).

Independent appeal panels must consider each case individually and they cannot limit themselves, in advance, to the admission of any particular number of pupils. The appeal panel works in two stages:

- **The Factual Stage** looks at whether there was a lawful reason to refuse admission; if there was not, the child must be admitted; if there was, the committee moves on to the next stage;
- **The Balancing Stage** looks at the possible negative impact on the school and its pupils if the child is admitted and at the strength of the parents' case and 'balances' them to decide if the child should be admitted.

⁹ [Schools Admissions \(Infant Class Size\) \(Wales\) Regulations 2013](#)

The decision of the appeal panel is binding on the council and the school governors.

What happens if I change my mind about the alternative schools offered?

You should contact the School Admissions Team admissions@powys.gov.uk if you want to accept a place in one of the alternative schools offered at any time before or after the hearing. Please note availability can change on a daily basis, which means School Admissions may provide you with details of different alternative schools.

School Admission Appeals operate in accordance with the Welsh Government's School Admissions Appeals Code which can be found in full on their website <https://gov.wales/school-admission-appeals-code>.

For details of the admission number for the previous academic year for Powys Primary and Secondary schools, please see **Appendices A and C**.

The LA will offer places in its schools up to the admission number. Places granted by the appeals panel, following successful appeal, will be in addition to the admission number. If the appeals process leads to the admission of pupils beyond the admission number, places given up, at a later date, will not be filled by the LA until numbers drop below the admission number

School Transport

Who is entitled to Free School Transport?

Home to school transport will be provided for learners who ordinarily reside in Powys to attend their nearest suitable school or catchment school subject to them meeting the qualifying criteria. The learner will qualify for free home to school transport to their nearest suitable school as long as the home address is more than the statutory walking distance from the main entrance of their nearest school:

- Primary Aged Learners (up to the age of 11) – if they live 2 miles or more from the School
- Secondary Aged Learners (up to the age of 16) – if they live 3 miles or more from the School

The distance will be measured from the closest access point on the public highway (which could include footpaths and bridleways) to the learner's ordinary place of residence which is nearest to the school and measured to the nearest school gate. The footpath or bridleway will be considered if it has a stone or tarmac surface. Any other surface will only be considered if it can be walked in normal school footwear. The measurement will be made through the use of a Geographical Information System (GIS).

The Passenger Transport Team automatically checks eligibility for free school transport once a school place has been allocated.

Full details of Powys County Council's Home to School Transport Policy can be found on the Council's website <https://en.powys.gov.uk/article/3879/Apply-for-school-transport>
